All-in-One

Easy to Use

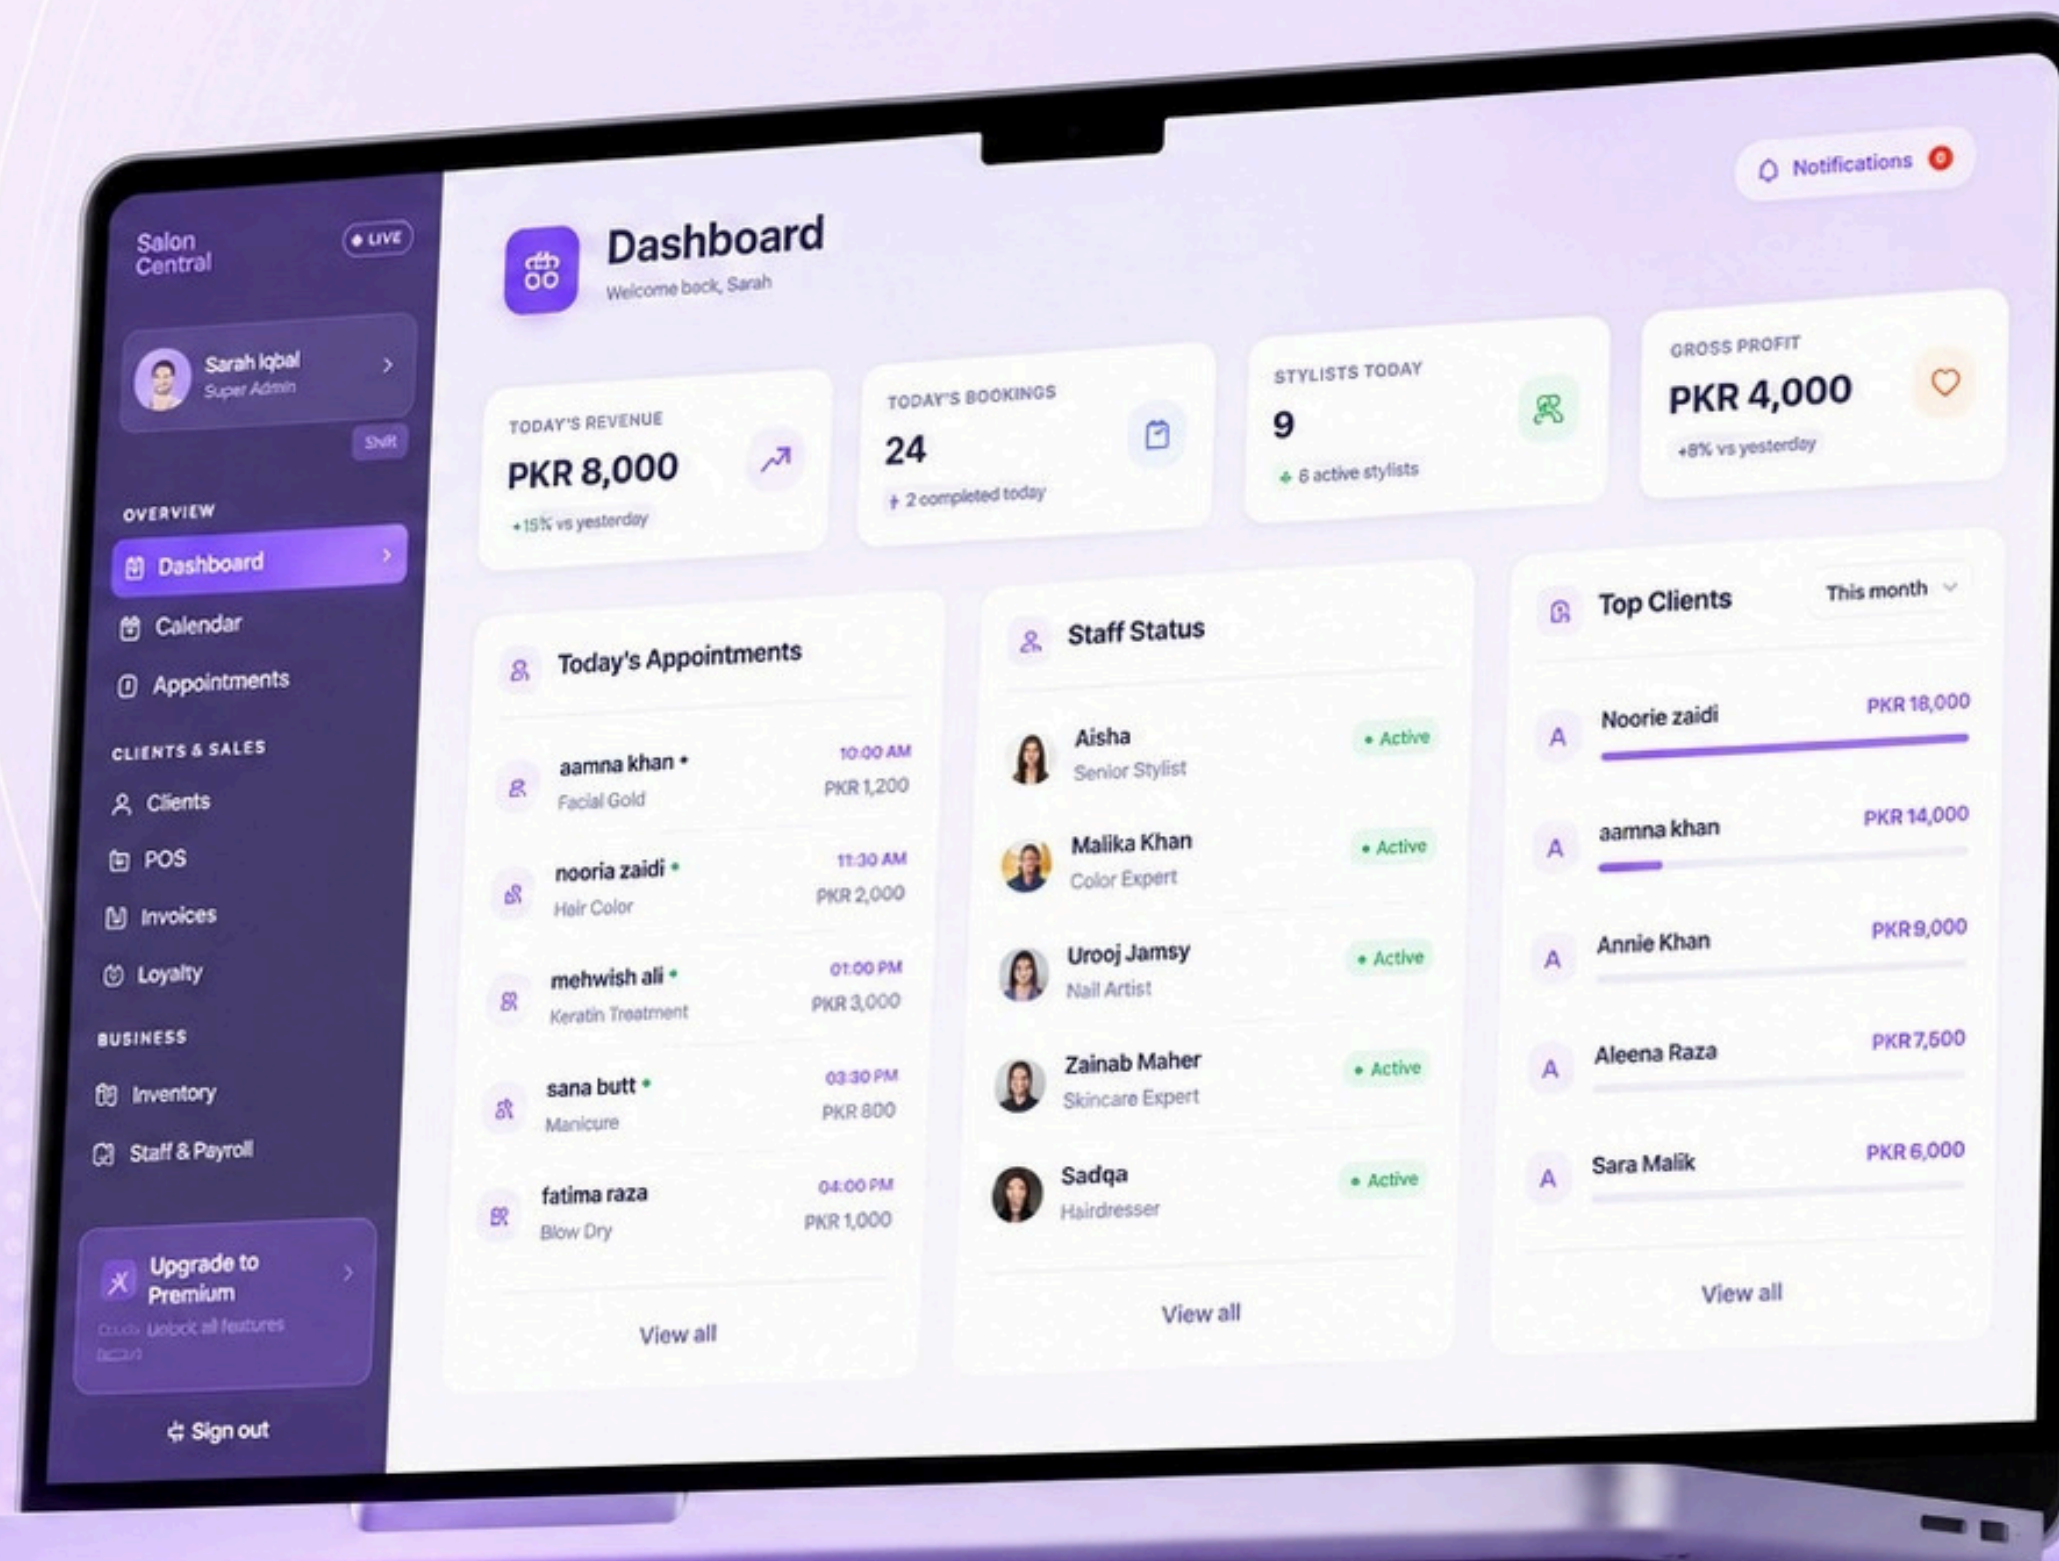

Smart Automation

Real-time Insights

saloncentral.xyz

— • THE PROBLEM

Running a salon means juggling a dozen tools

A paper diary for bookings. WhatsApp for confirmations. A cash drawer for payments. A spreadsheet for stock.

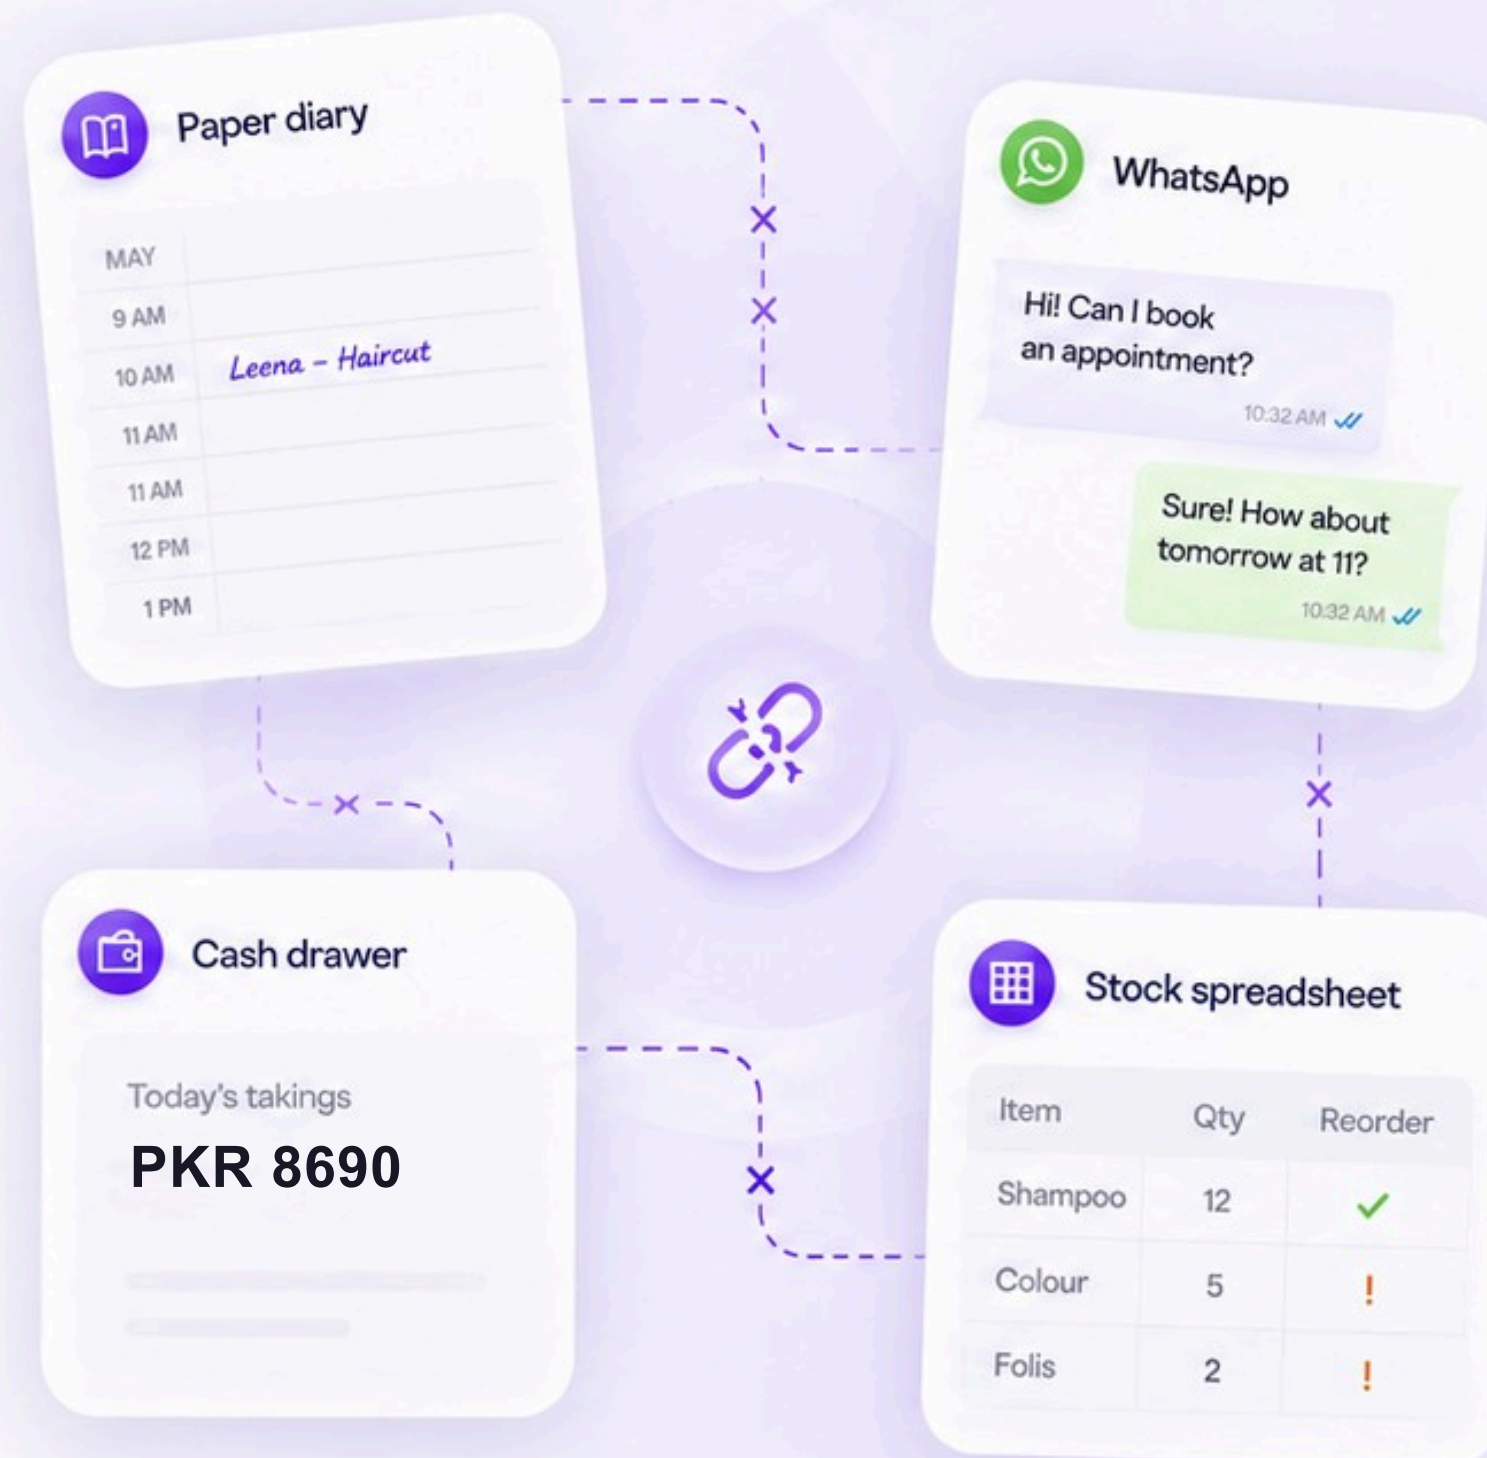

None of it connects — so the day runs on memory, and every gap leaks revenue.

 Paper diary

 WhatsApp threads

 Cash drawer

 Stock spreadsheet

THE PLATFORM

One platform. Complete salon operations.

Ten connected modules that share the same client, calendar and till —
so nothing falls through the cracks.

Revenue & Analytics

PART 01

The connected client experience

From the first booking to the next rebooking — every interaction, seamless and measurable.

01

APPOINTMENT BOOKING

Booking that runs itself

From the first slot to checkout — every appointment, tracked end to end.

Appointments table with search & filters by status, stylist and date

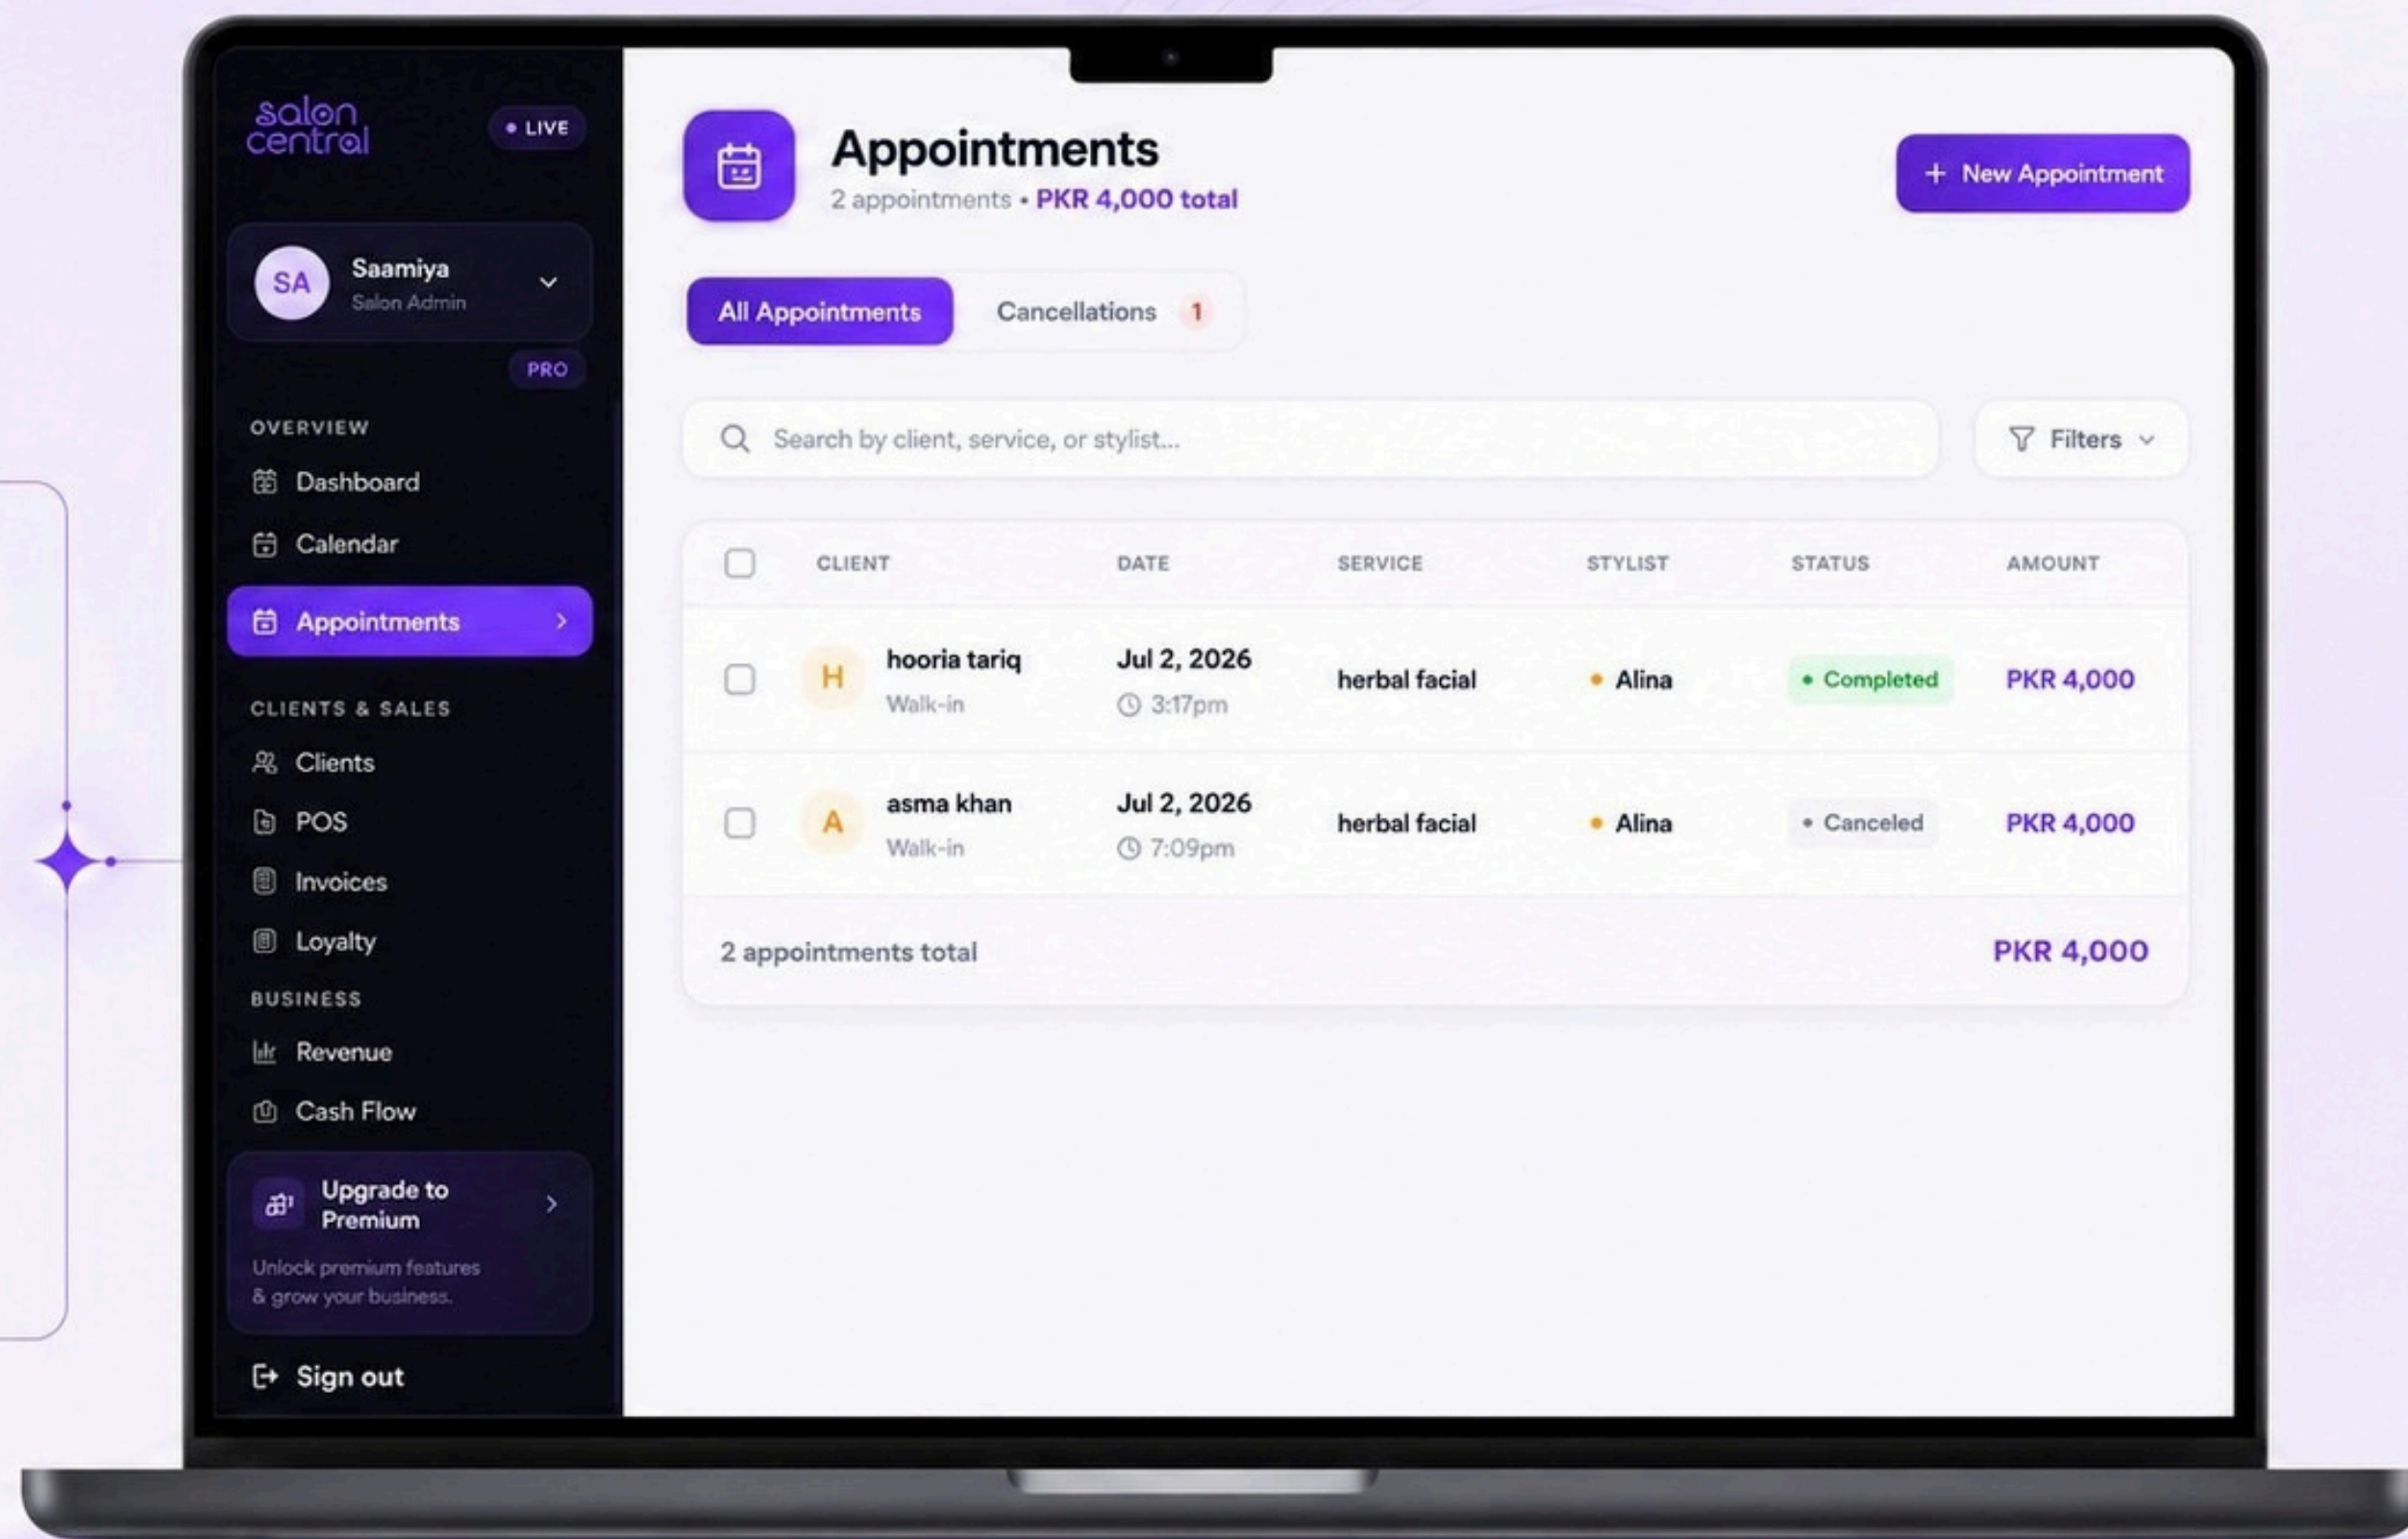

Status flow — Booked → Confirmed → Arrived → In-Progress → Completed

Detail modal with before / after photo upload

One-tap checkout to POS for arrived, in-progress & completed

02

CALENDAR

The whole week, at a glance

Every chair, every stylist,
every booking — on one screen.

-  Weekly & monthly views
of every appointment
-  Across the whole salon —
all staff in one view
-  Colour-coded by stylist
for instant clarity
-  Spot gaps & double-bookings
before they happen

CLIENT MANAGEMENT

Know every guest

One living record per client —
from first visit to favourite formula.

Full profiles — phone, email,
DOB, gender & source

Smart tags — VIP, Regular,
Bridal, New & At-Risk

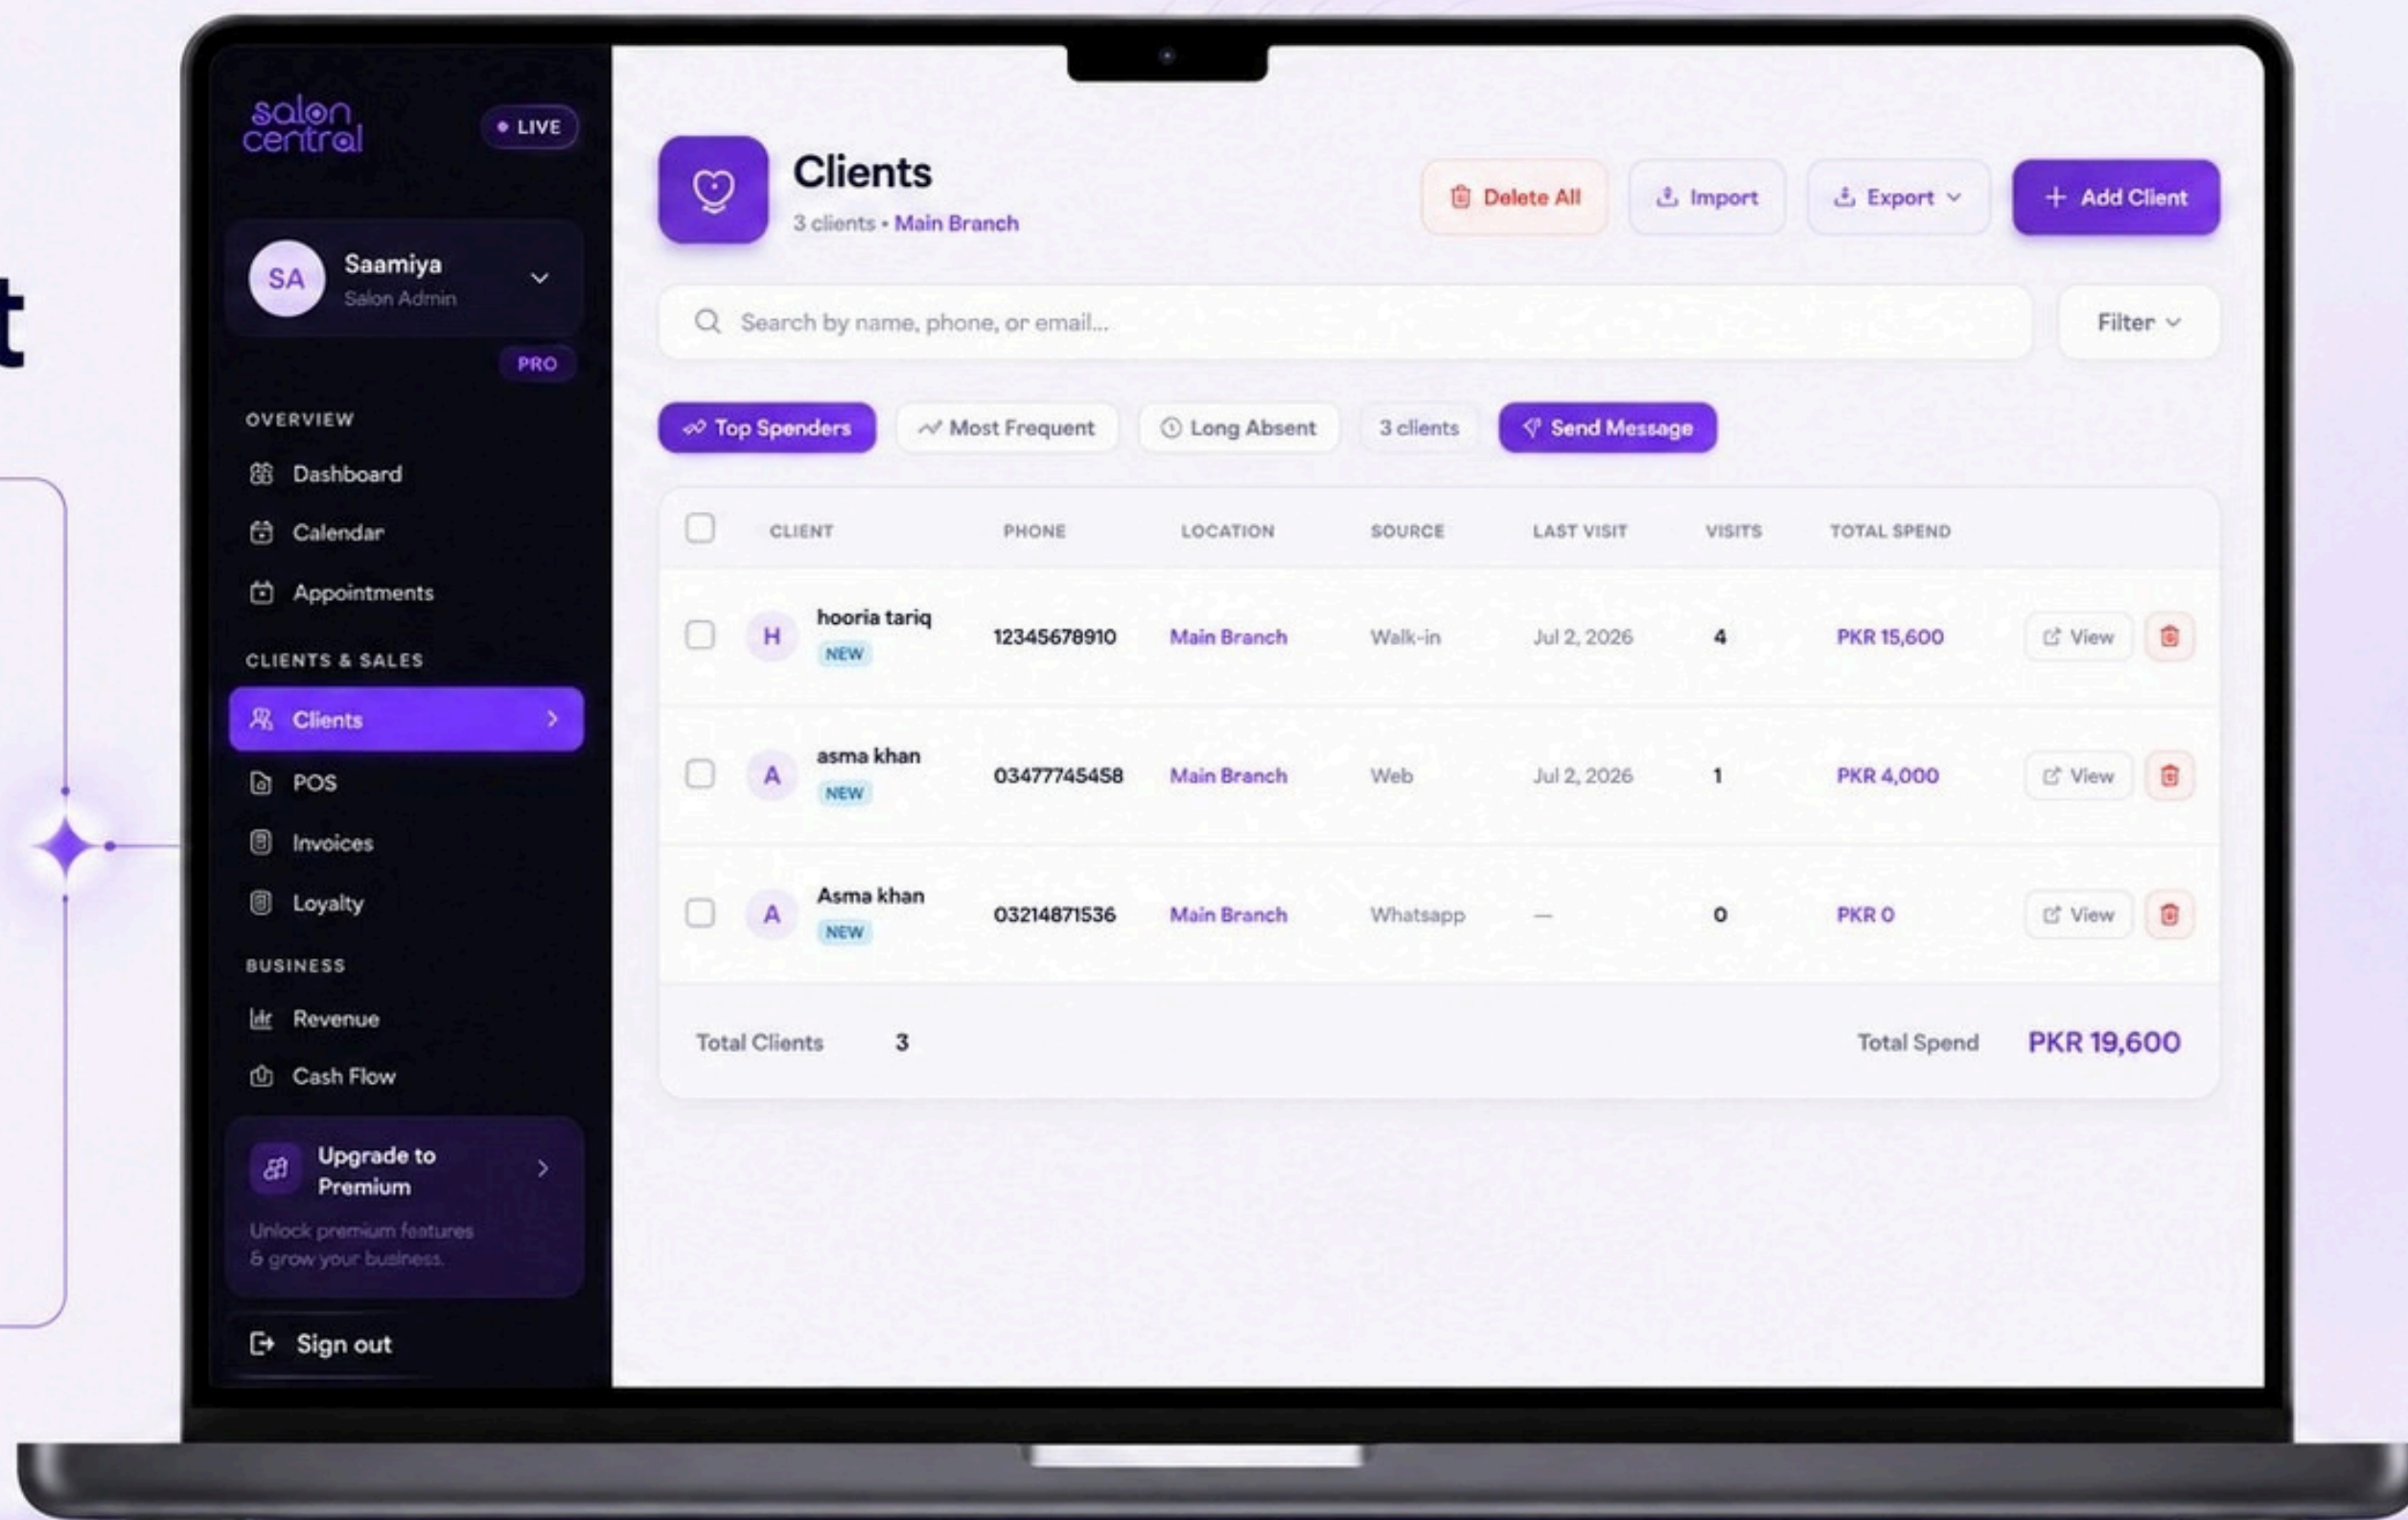

Beauty profiles — hair formulas,
skin type, allergies

Visit history with before /
after photos per visit

Per-client dashboard —
stats & service breakdown

04

POINT OF SALE

Check out in seconds

Every payment method your guests use,
right at the chair.

Checkout flow per appointment —
no re-keying the order

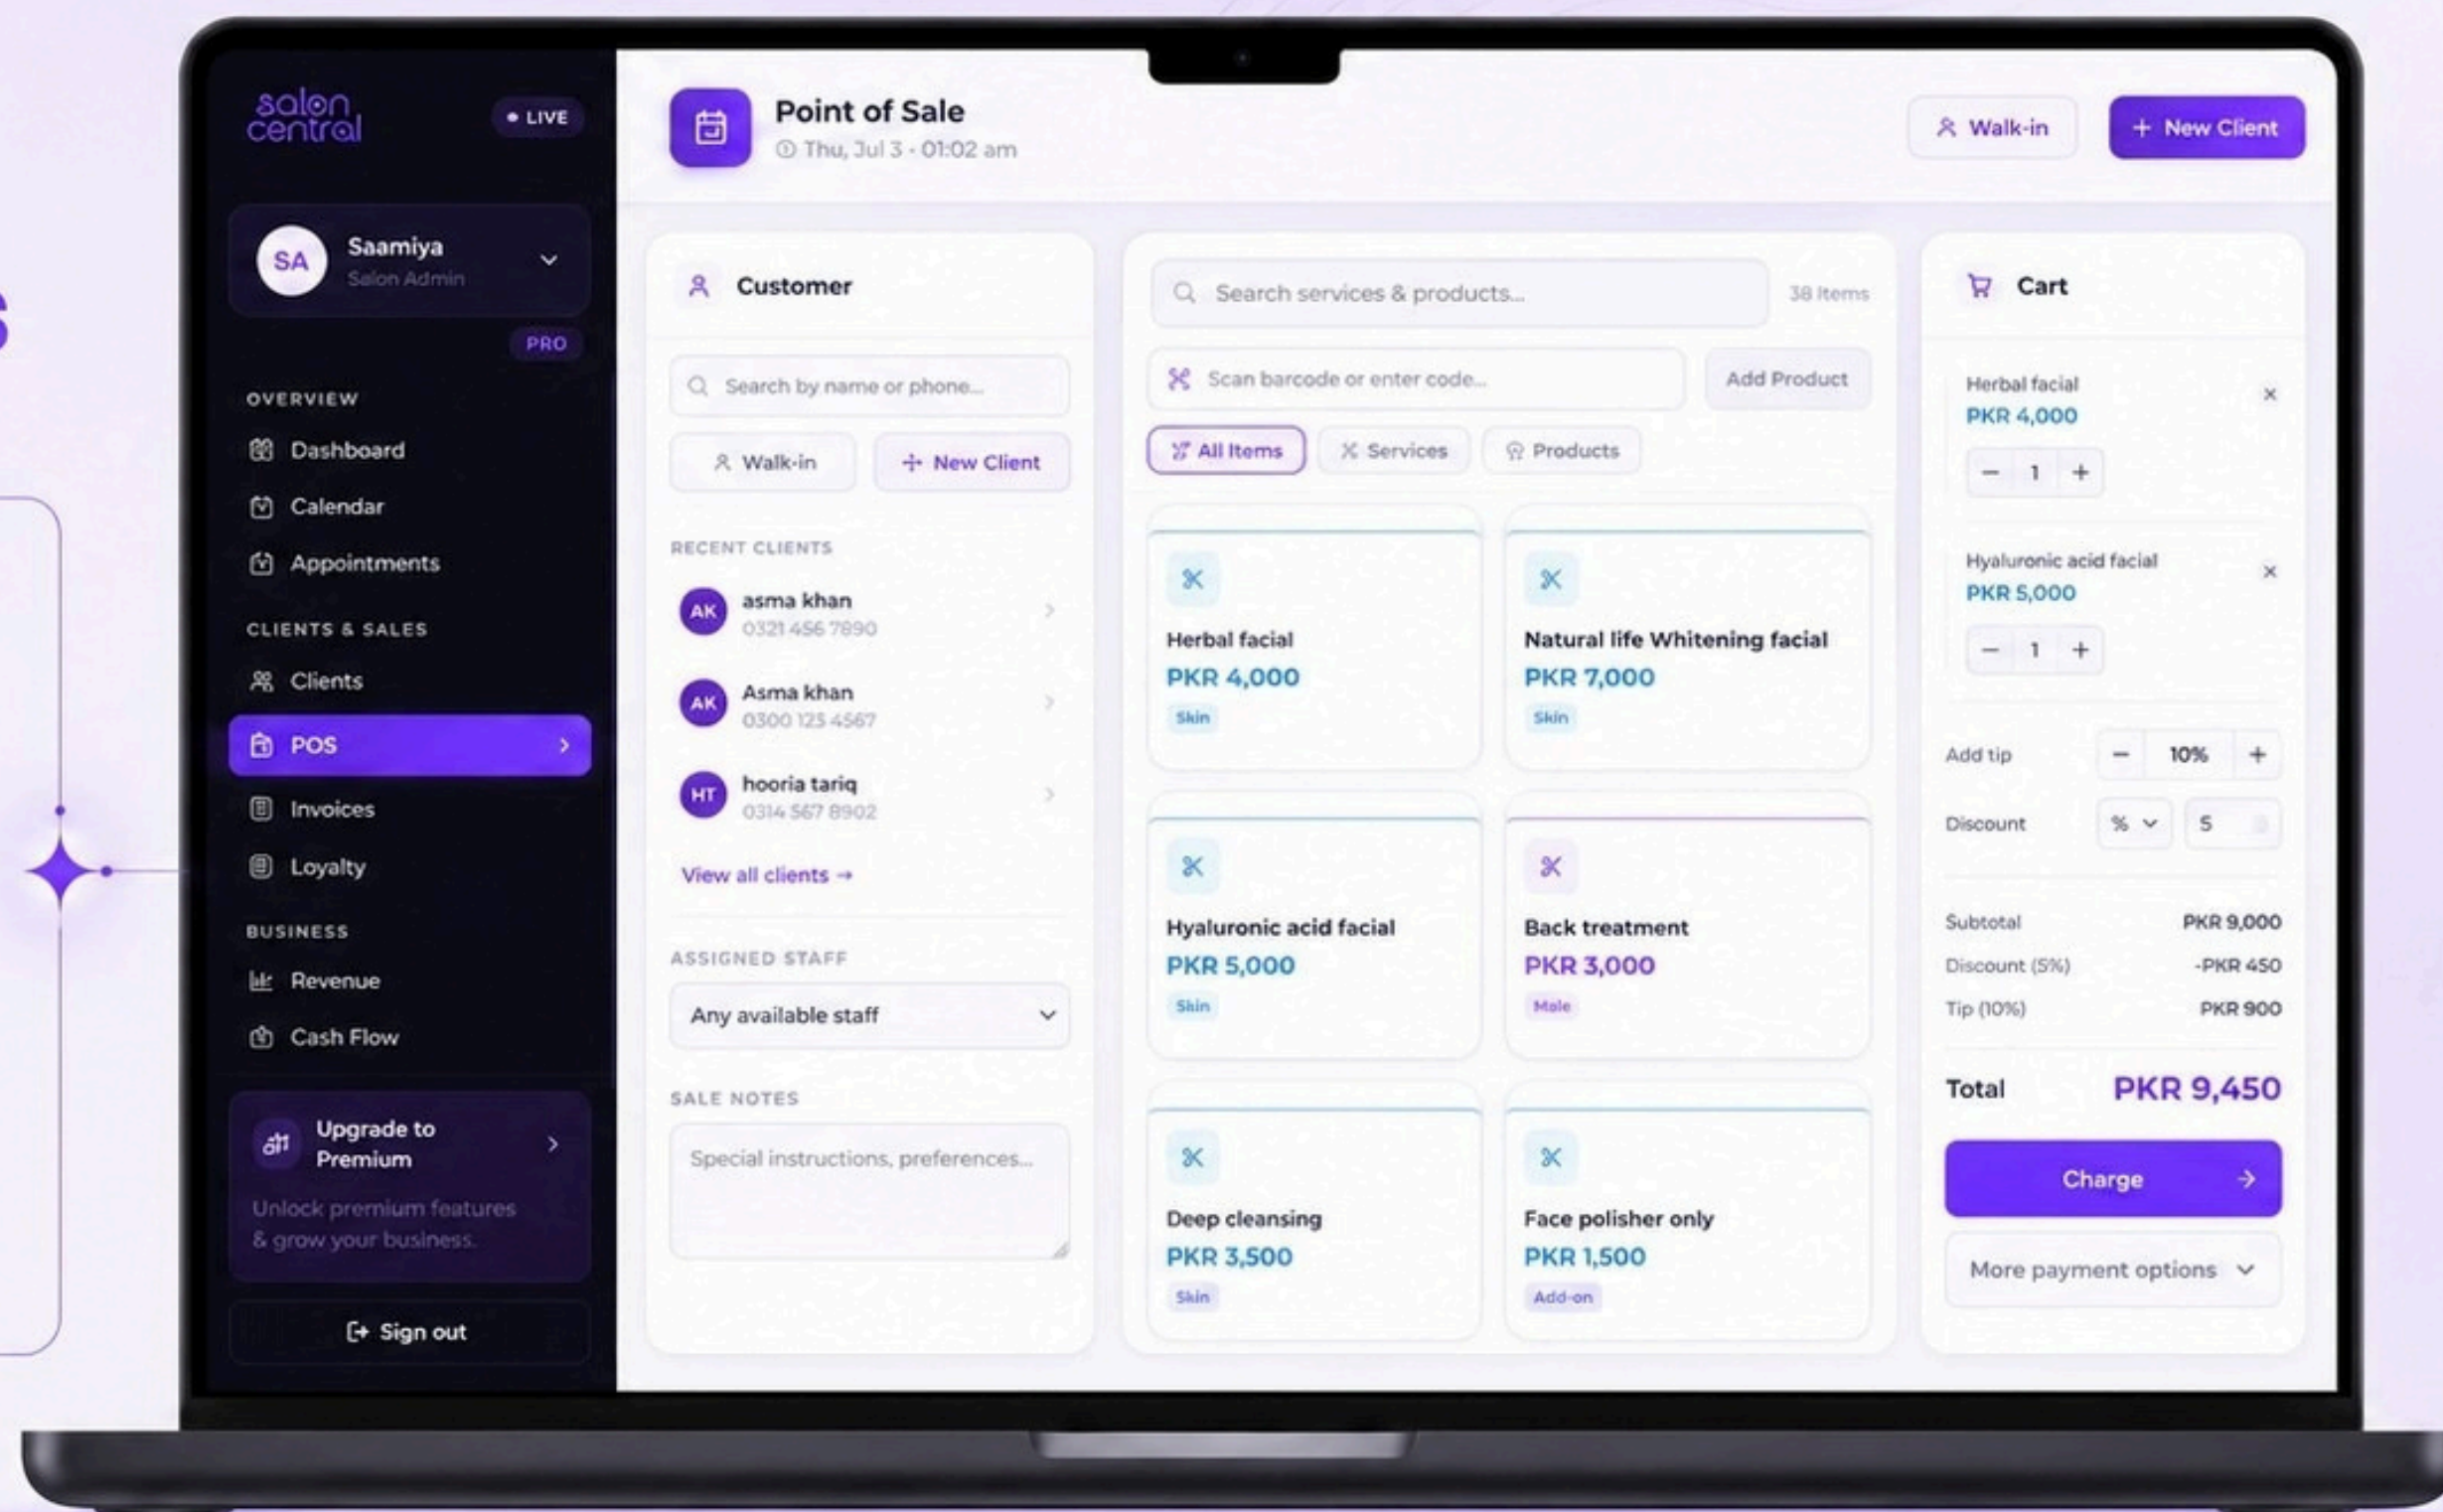

Cash, JazzCash, EasyPaisa,
Raast, card & bank

Tip & discount fields
captured at the till

Invoice generation
on every checkout

05

BILLING & PAYMENTS

The books, balanced

Every invoice and payment in one ledger — closed out daily.

Invoices list — every transaction in one place

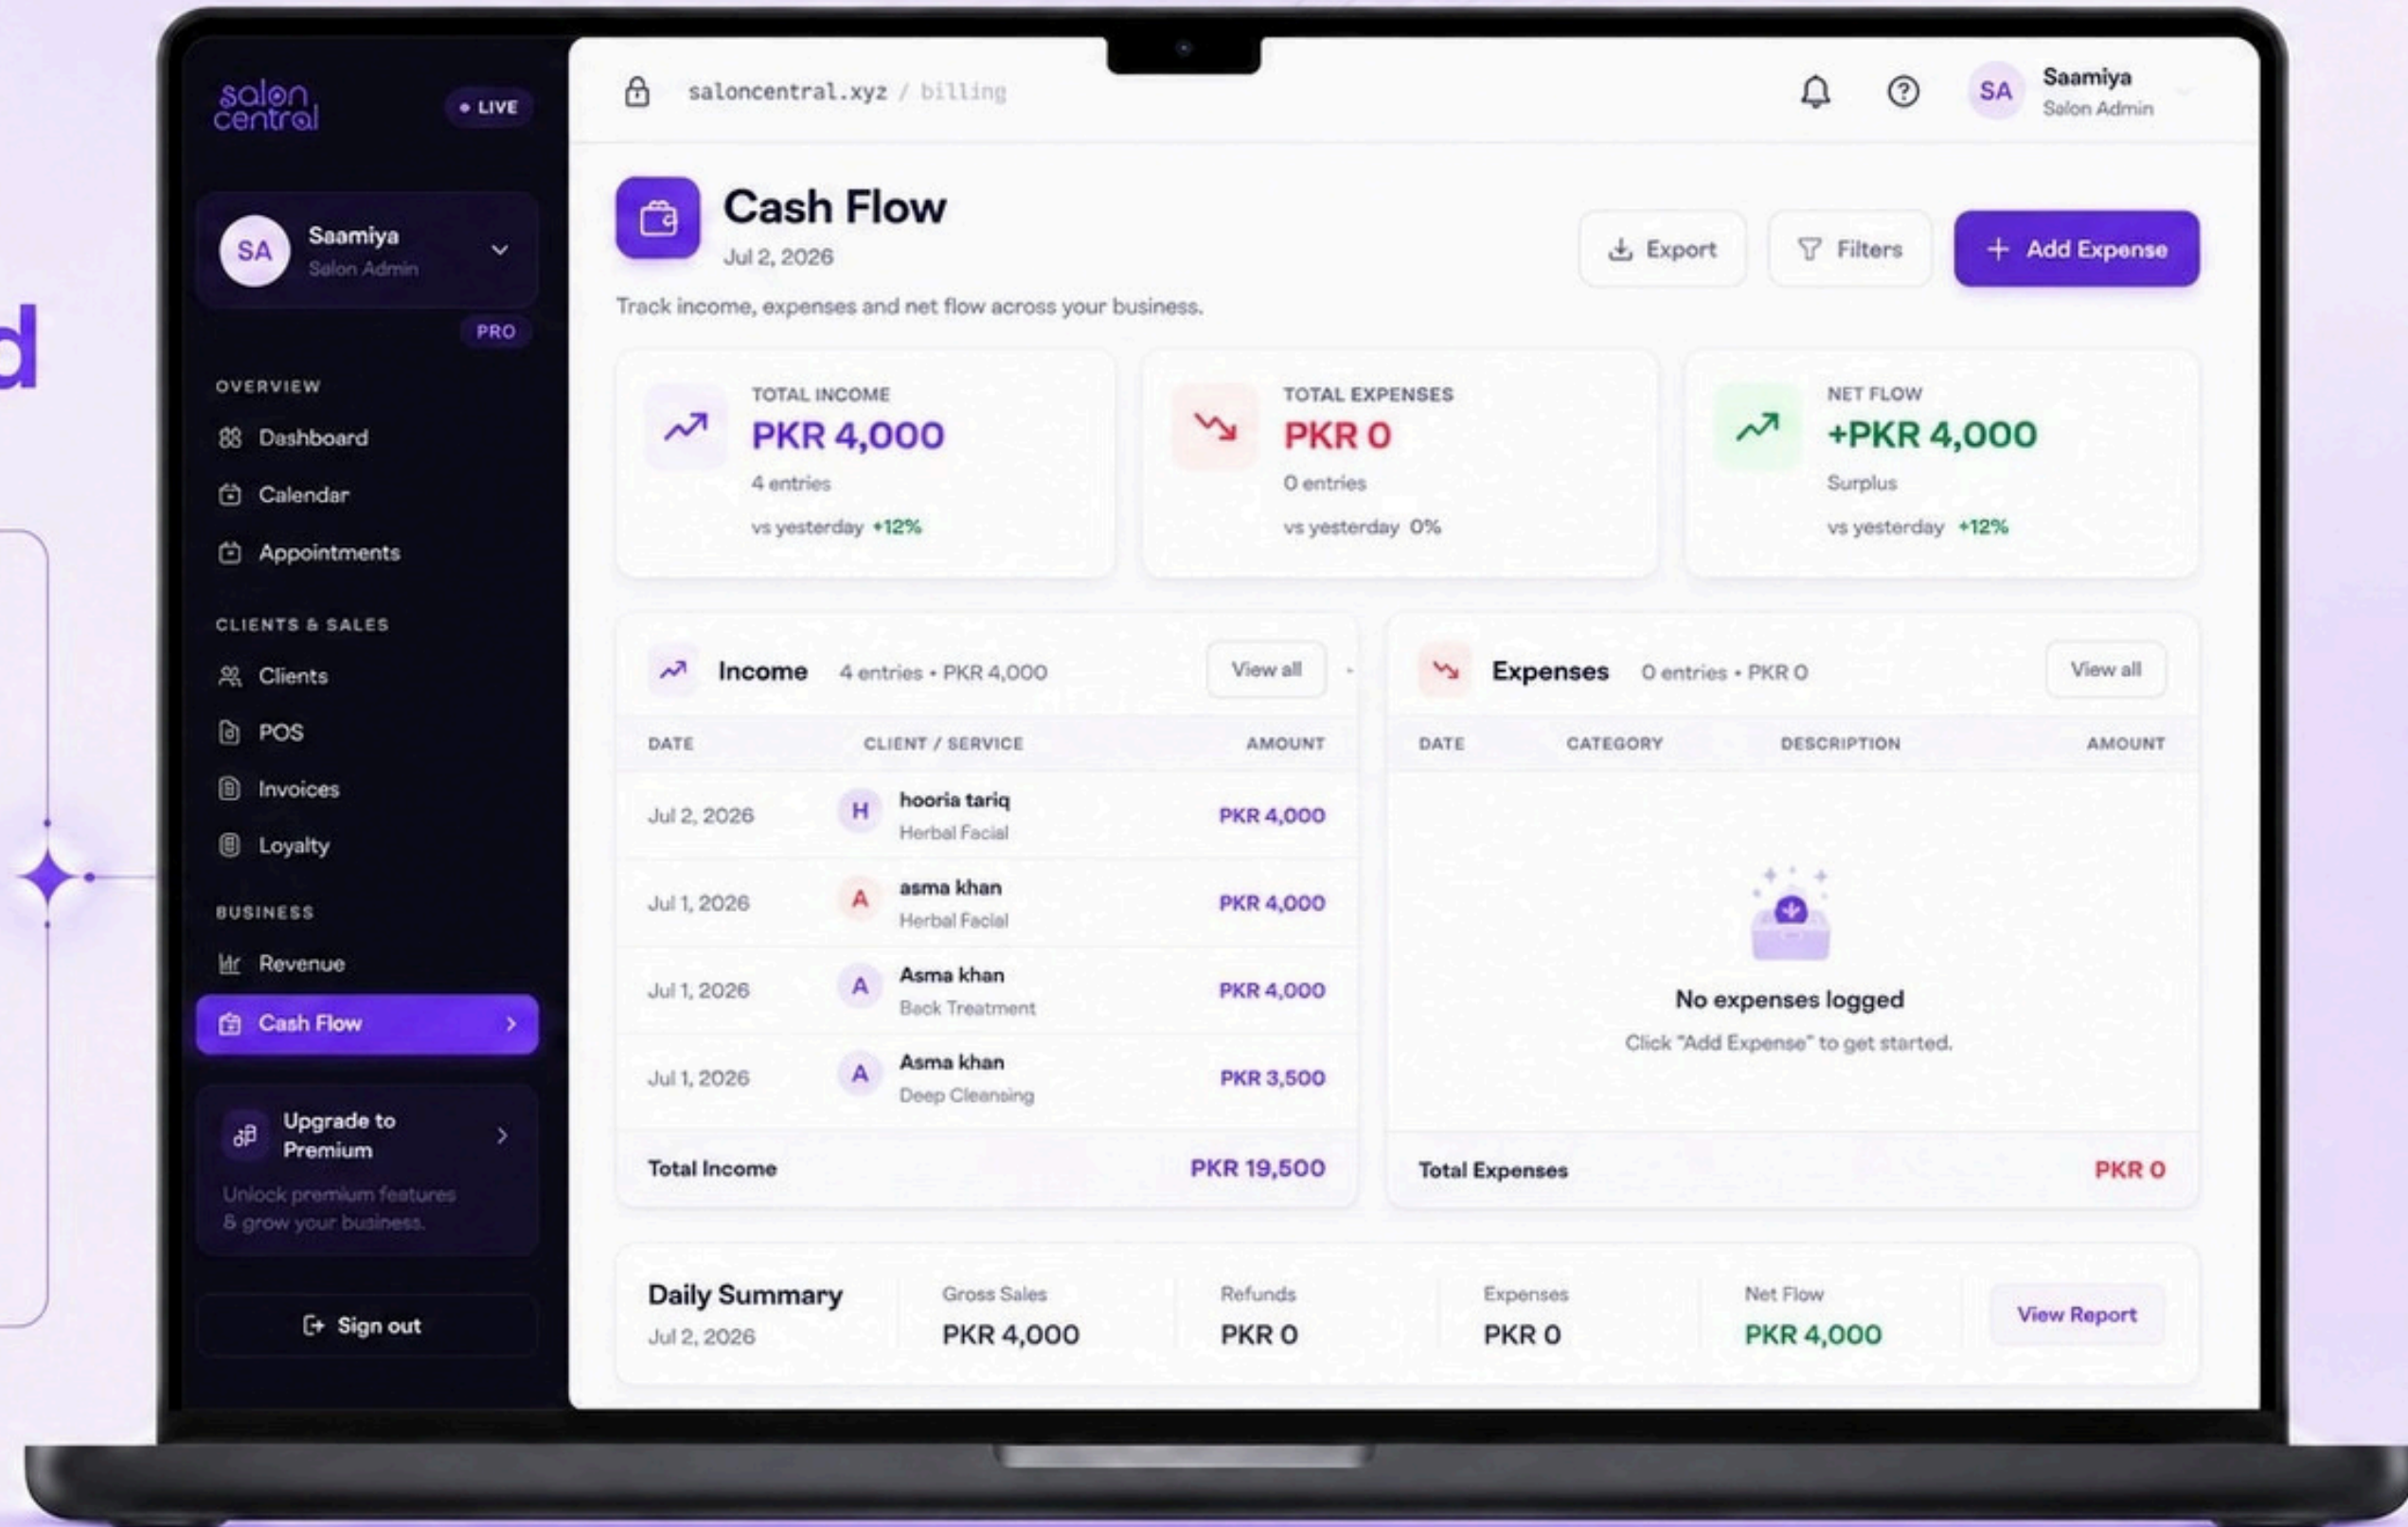

Payment tracking across every method

Daily sales reports to close out the day

Revenue analytics built in

06

LOYALTY & REWARDS

Turn visits into **loyalty**

One digital card for every client —
no plastic, no punch cards.

One universal QR —
clients scan & view their card

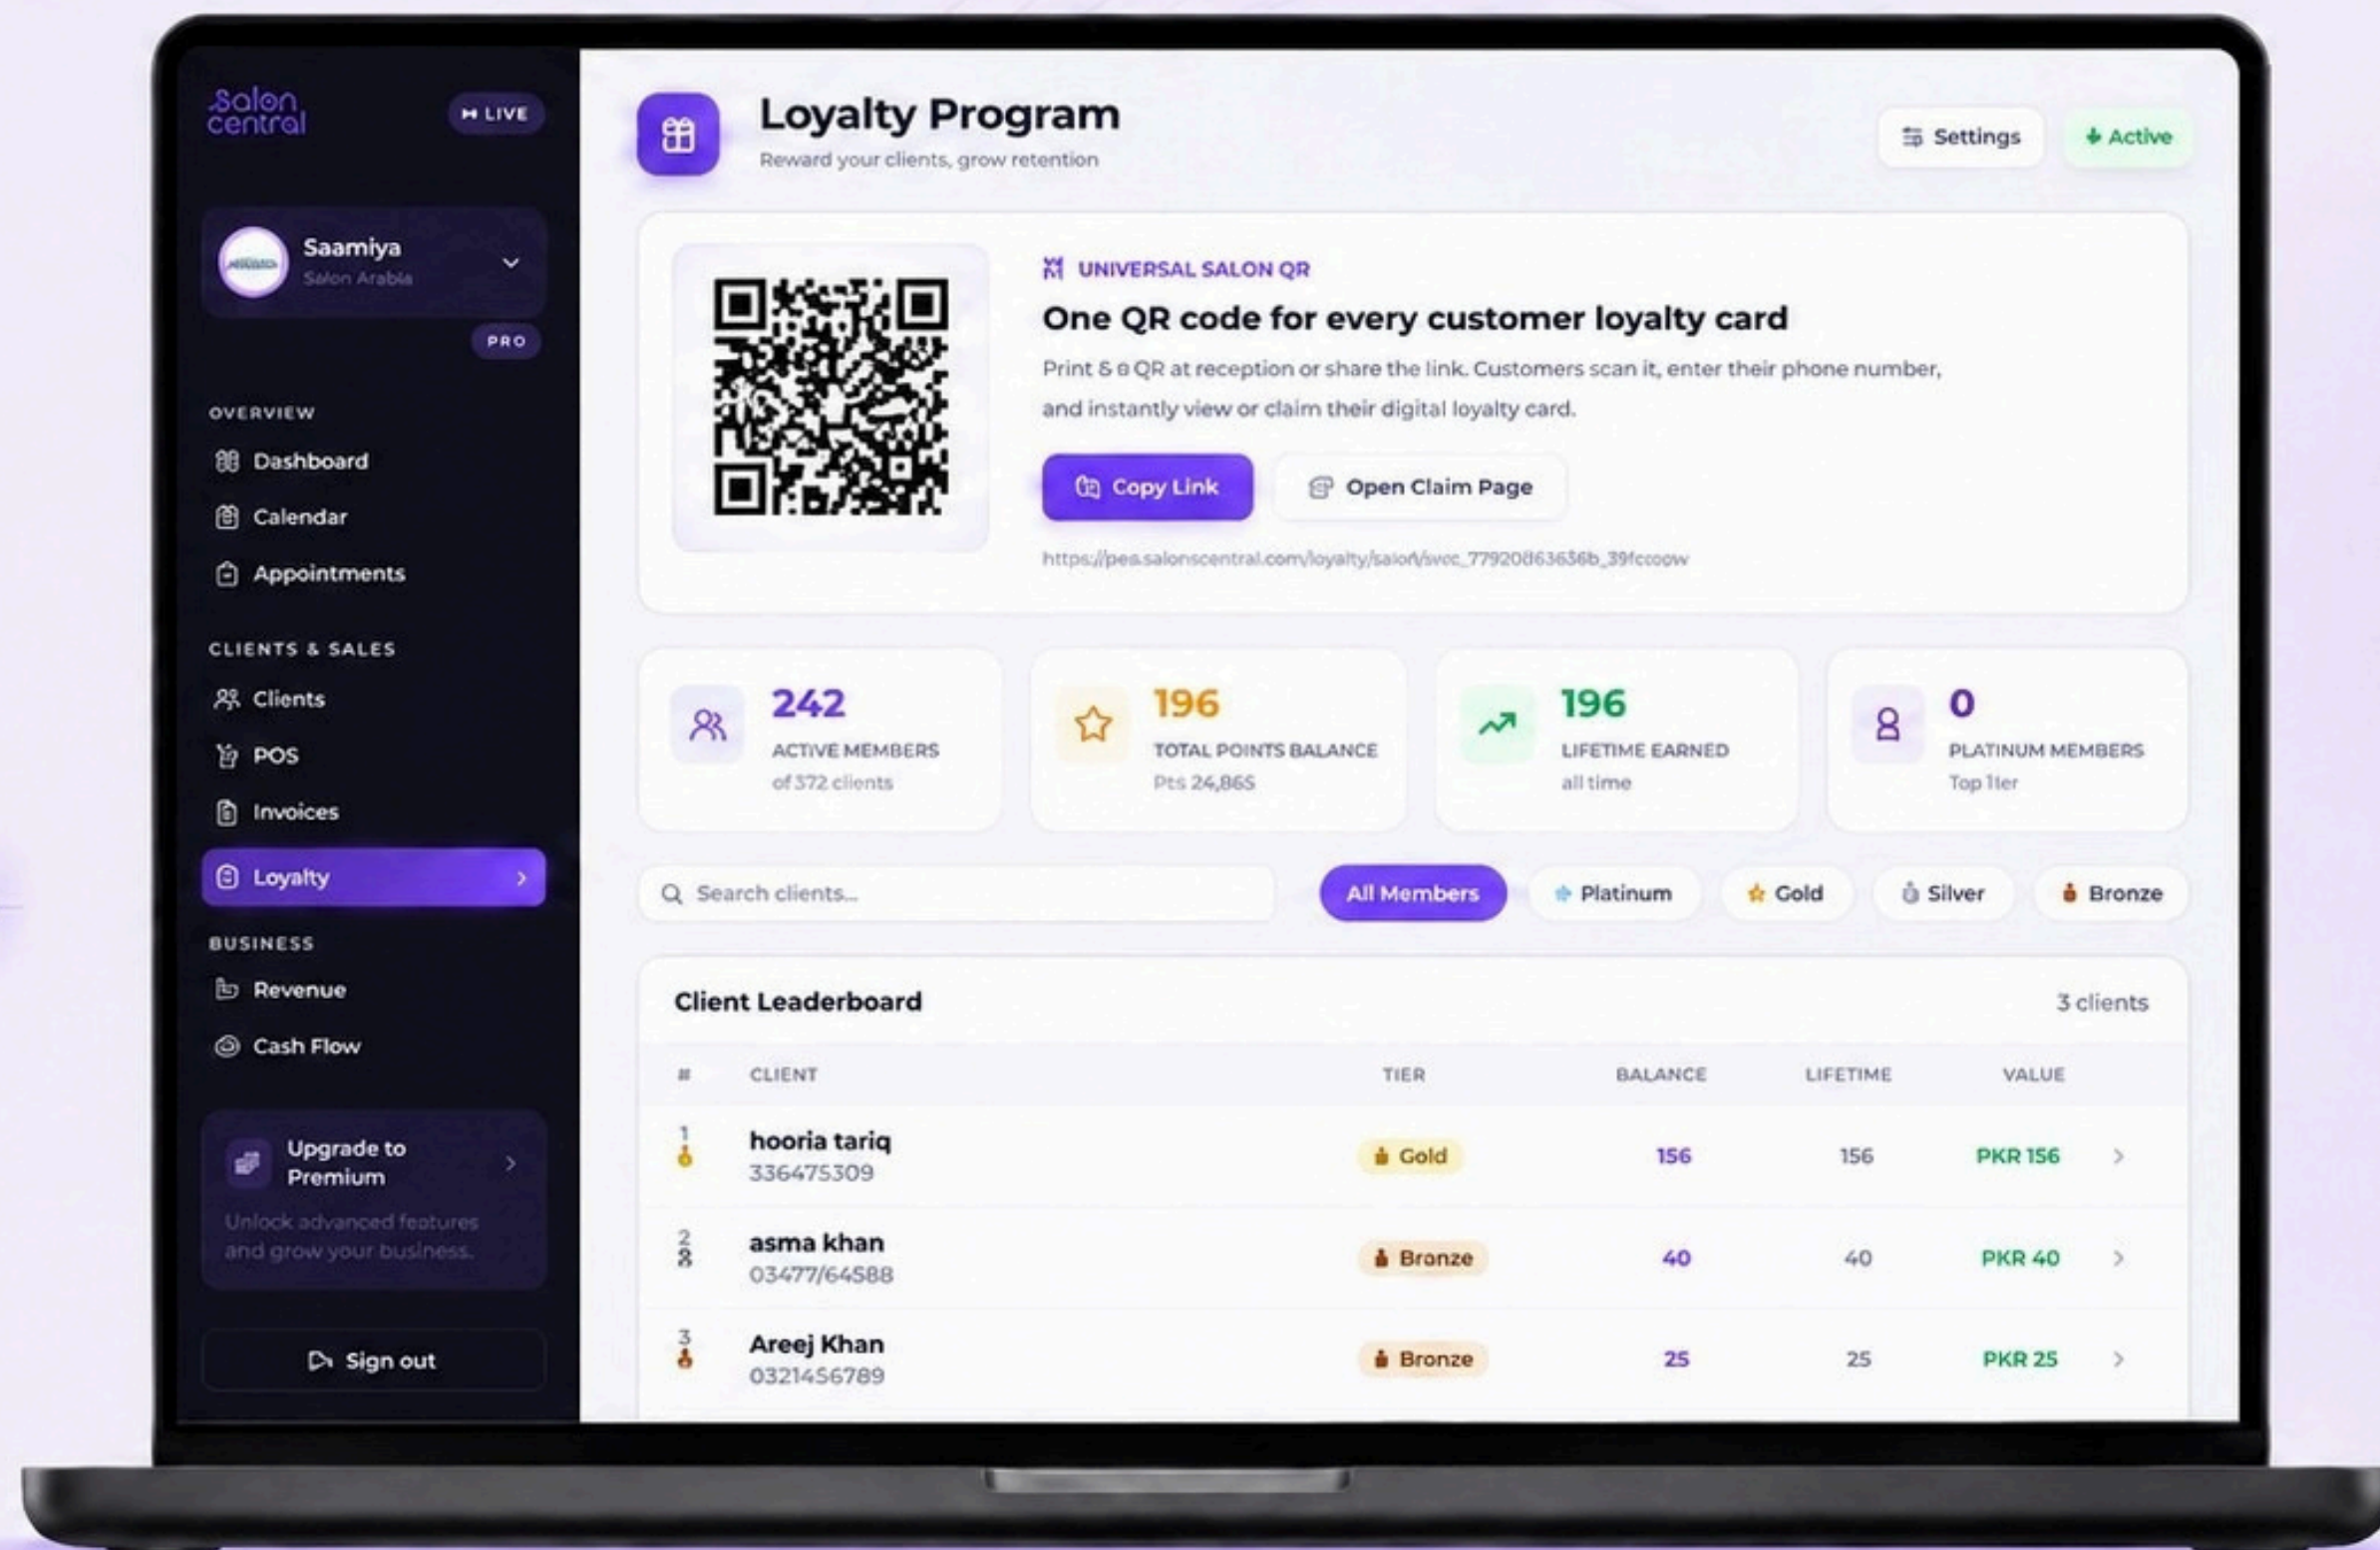

Points auto-earn
at every checkout

Bronze, Silver,
Gold & Platinum tiers

Redeem points as
discounts + client leaderboard

MARKETING AUTOMATION

WhatsApp on autopilot

The right message, the right moment —
sent without a finger lifted.

Booking confirmation on
appointment creation

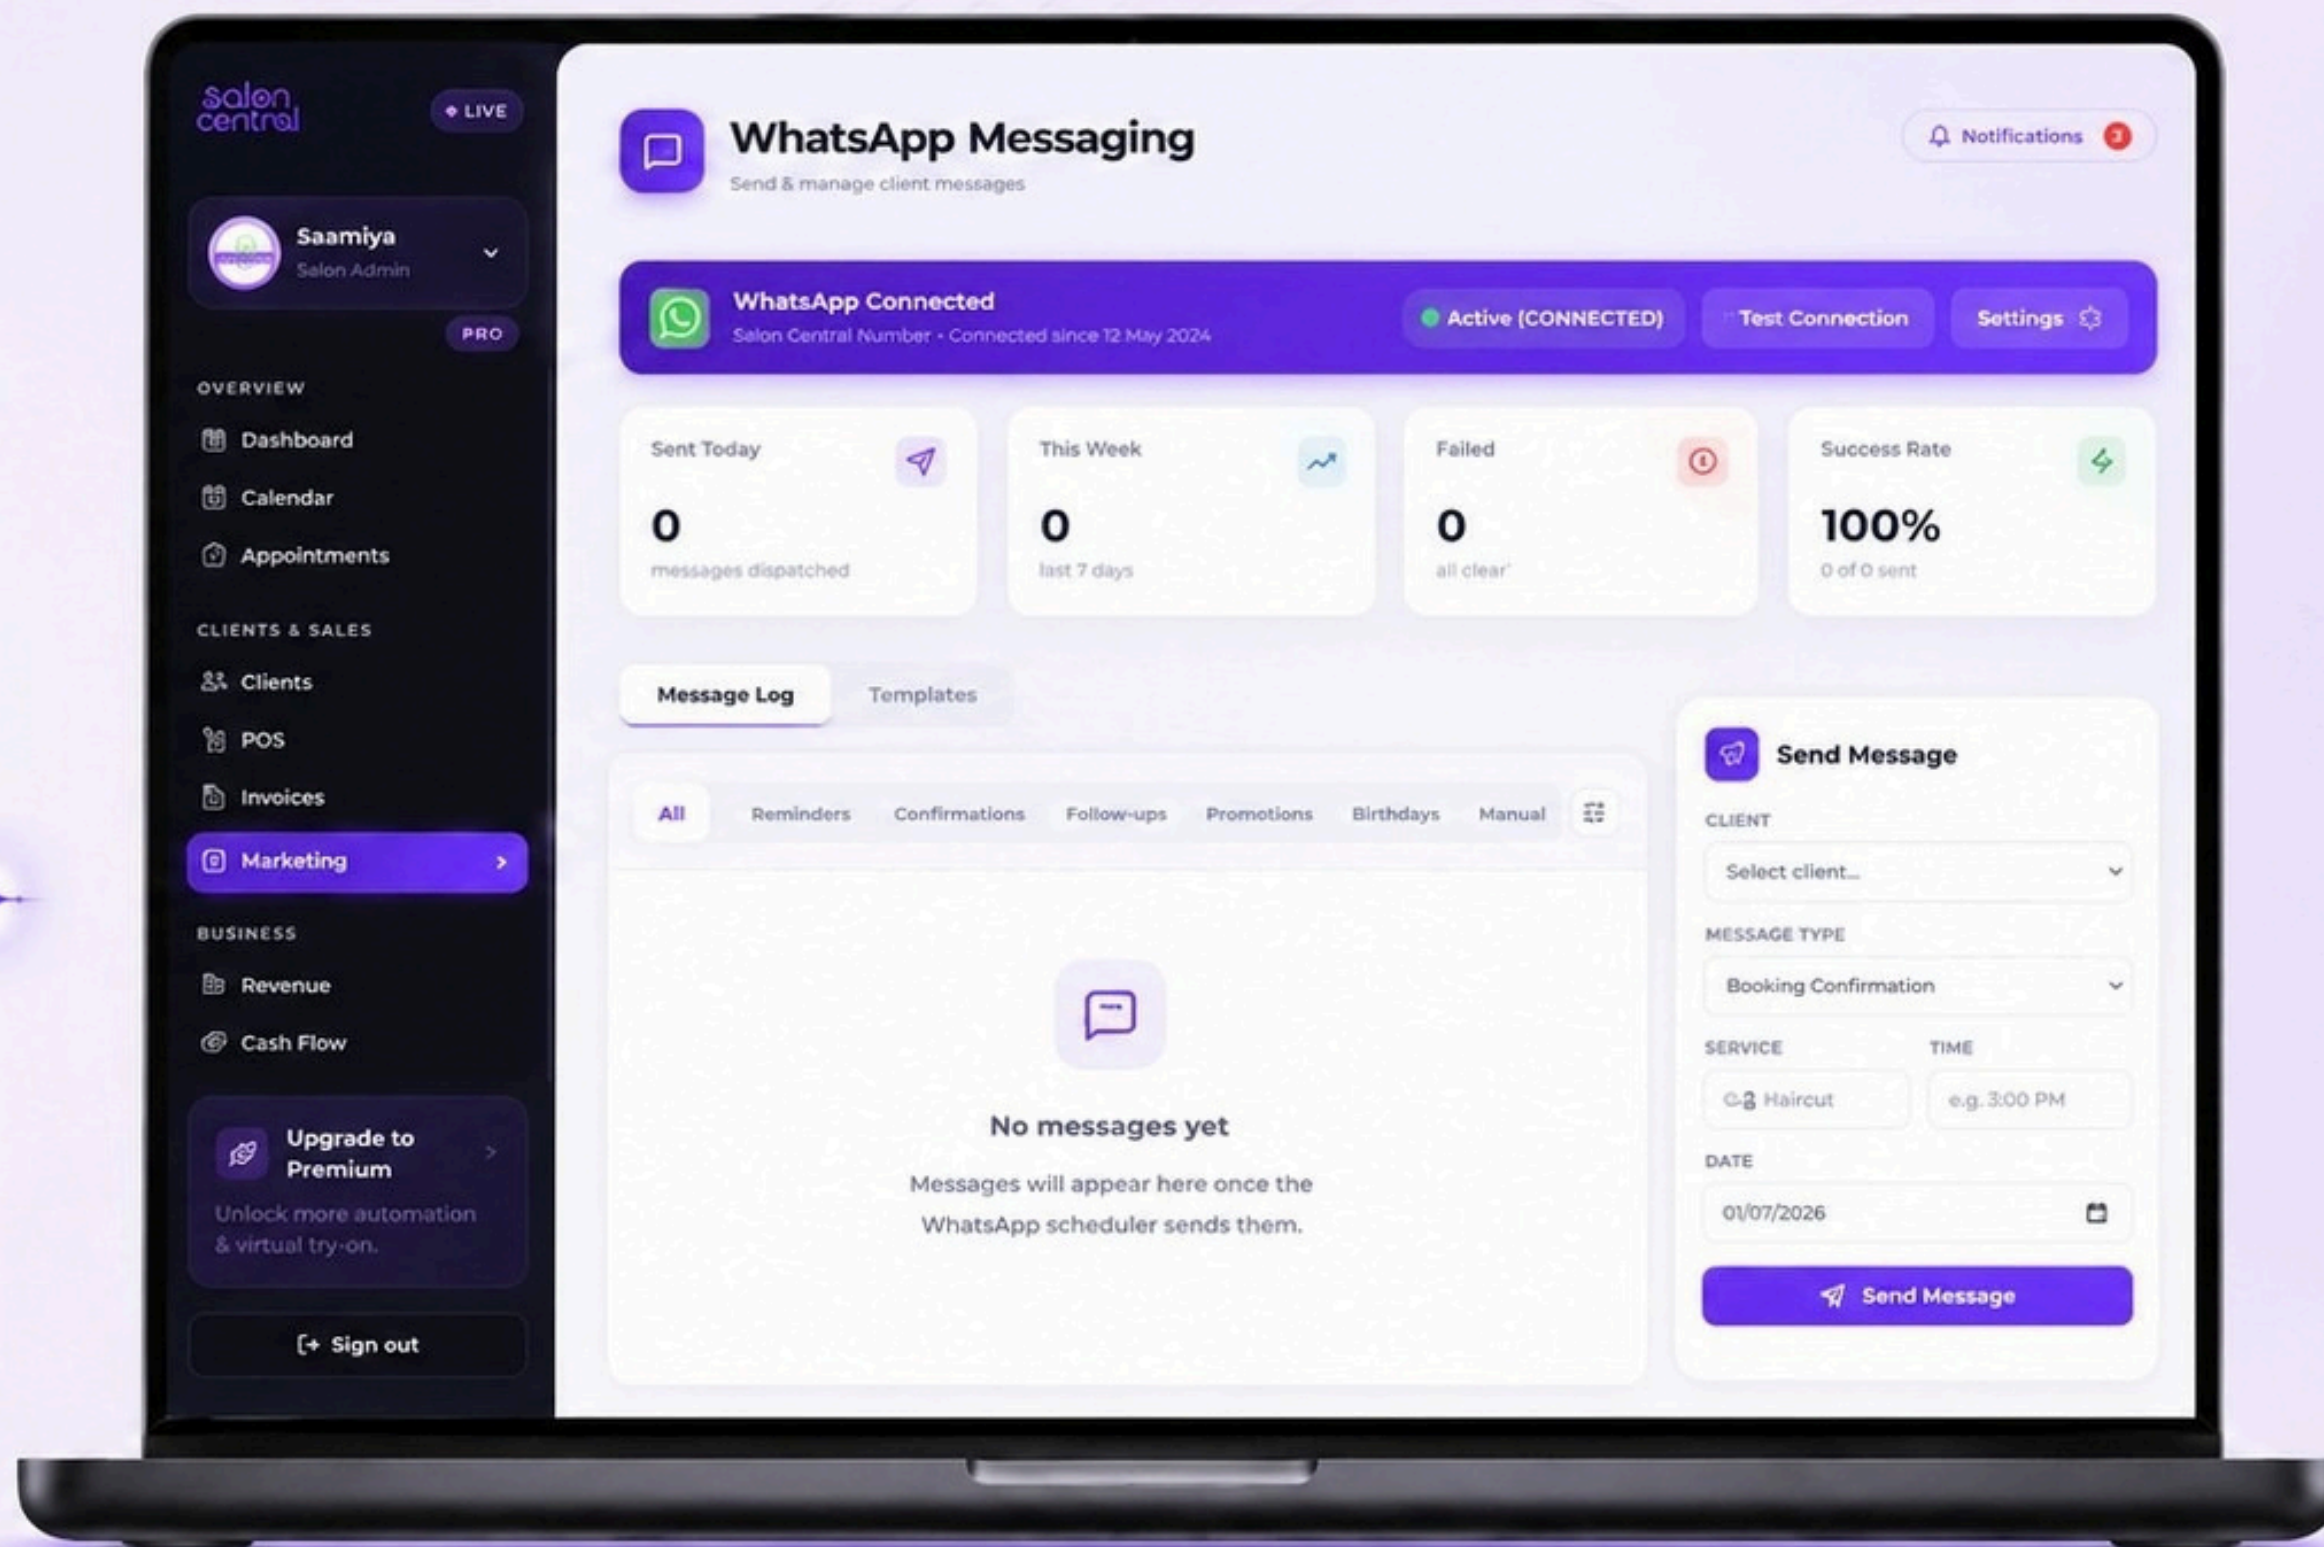

24-hour & 2-hour reminders
before the visit

Post-visit follow-up to invite
the next booking

Birthday offers & promotions
to your whole list

✦ PART 02

Running the whole salon

Behind the chair, Salon Central keeps your team,
your stock and your numbers in sync.

STAFF MANAGEMENT

A profile for every chair

Roles, specialties and assignment —
the whole team, organised.

Staff profiles — role, specialties,
colour & status

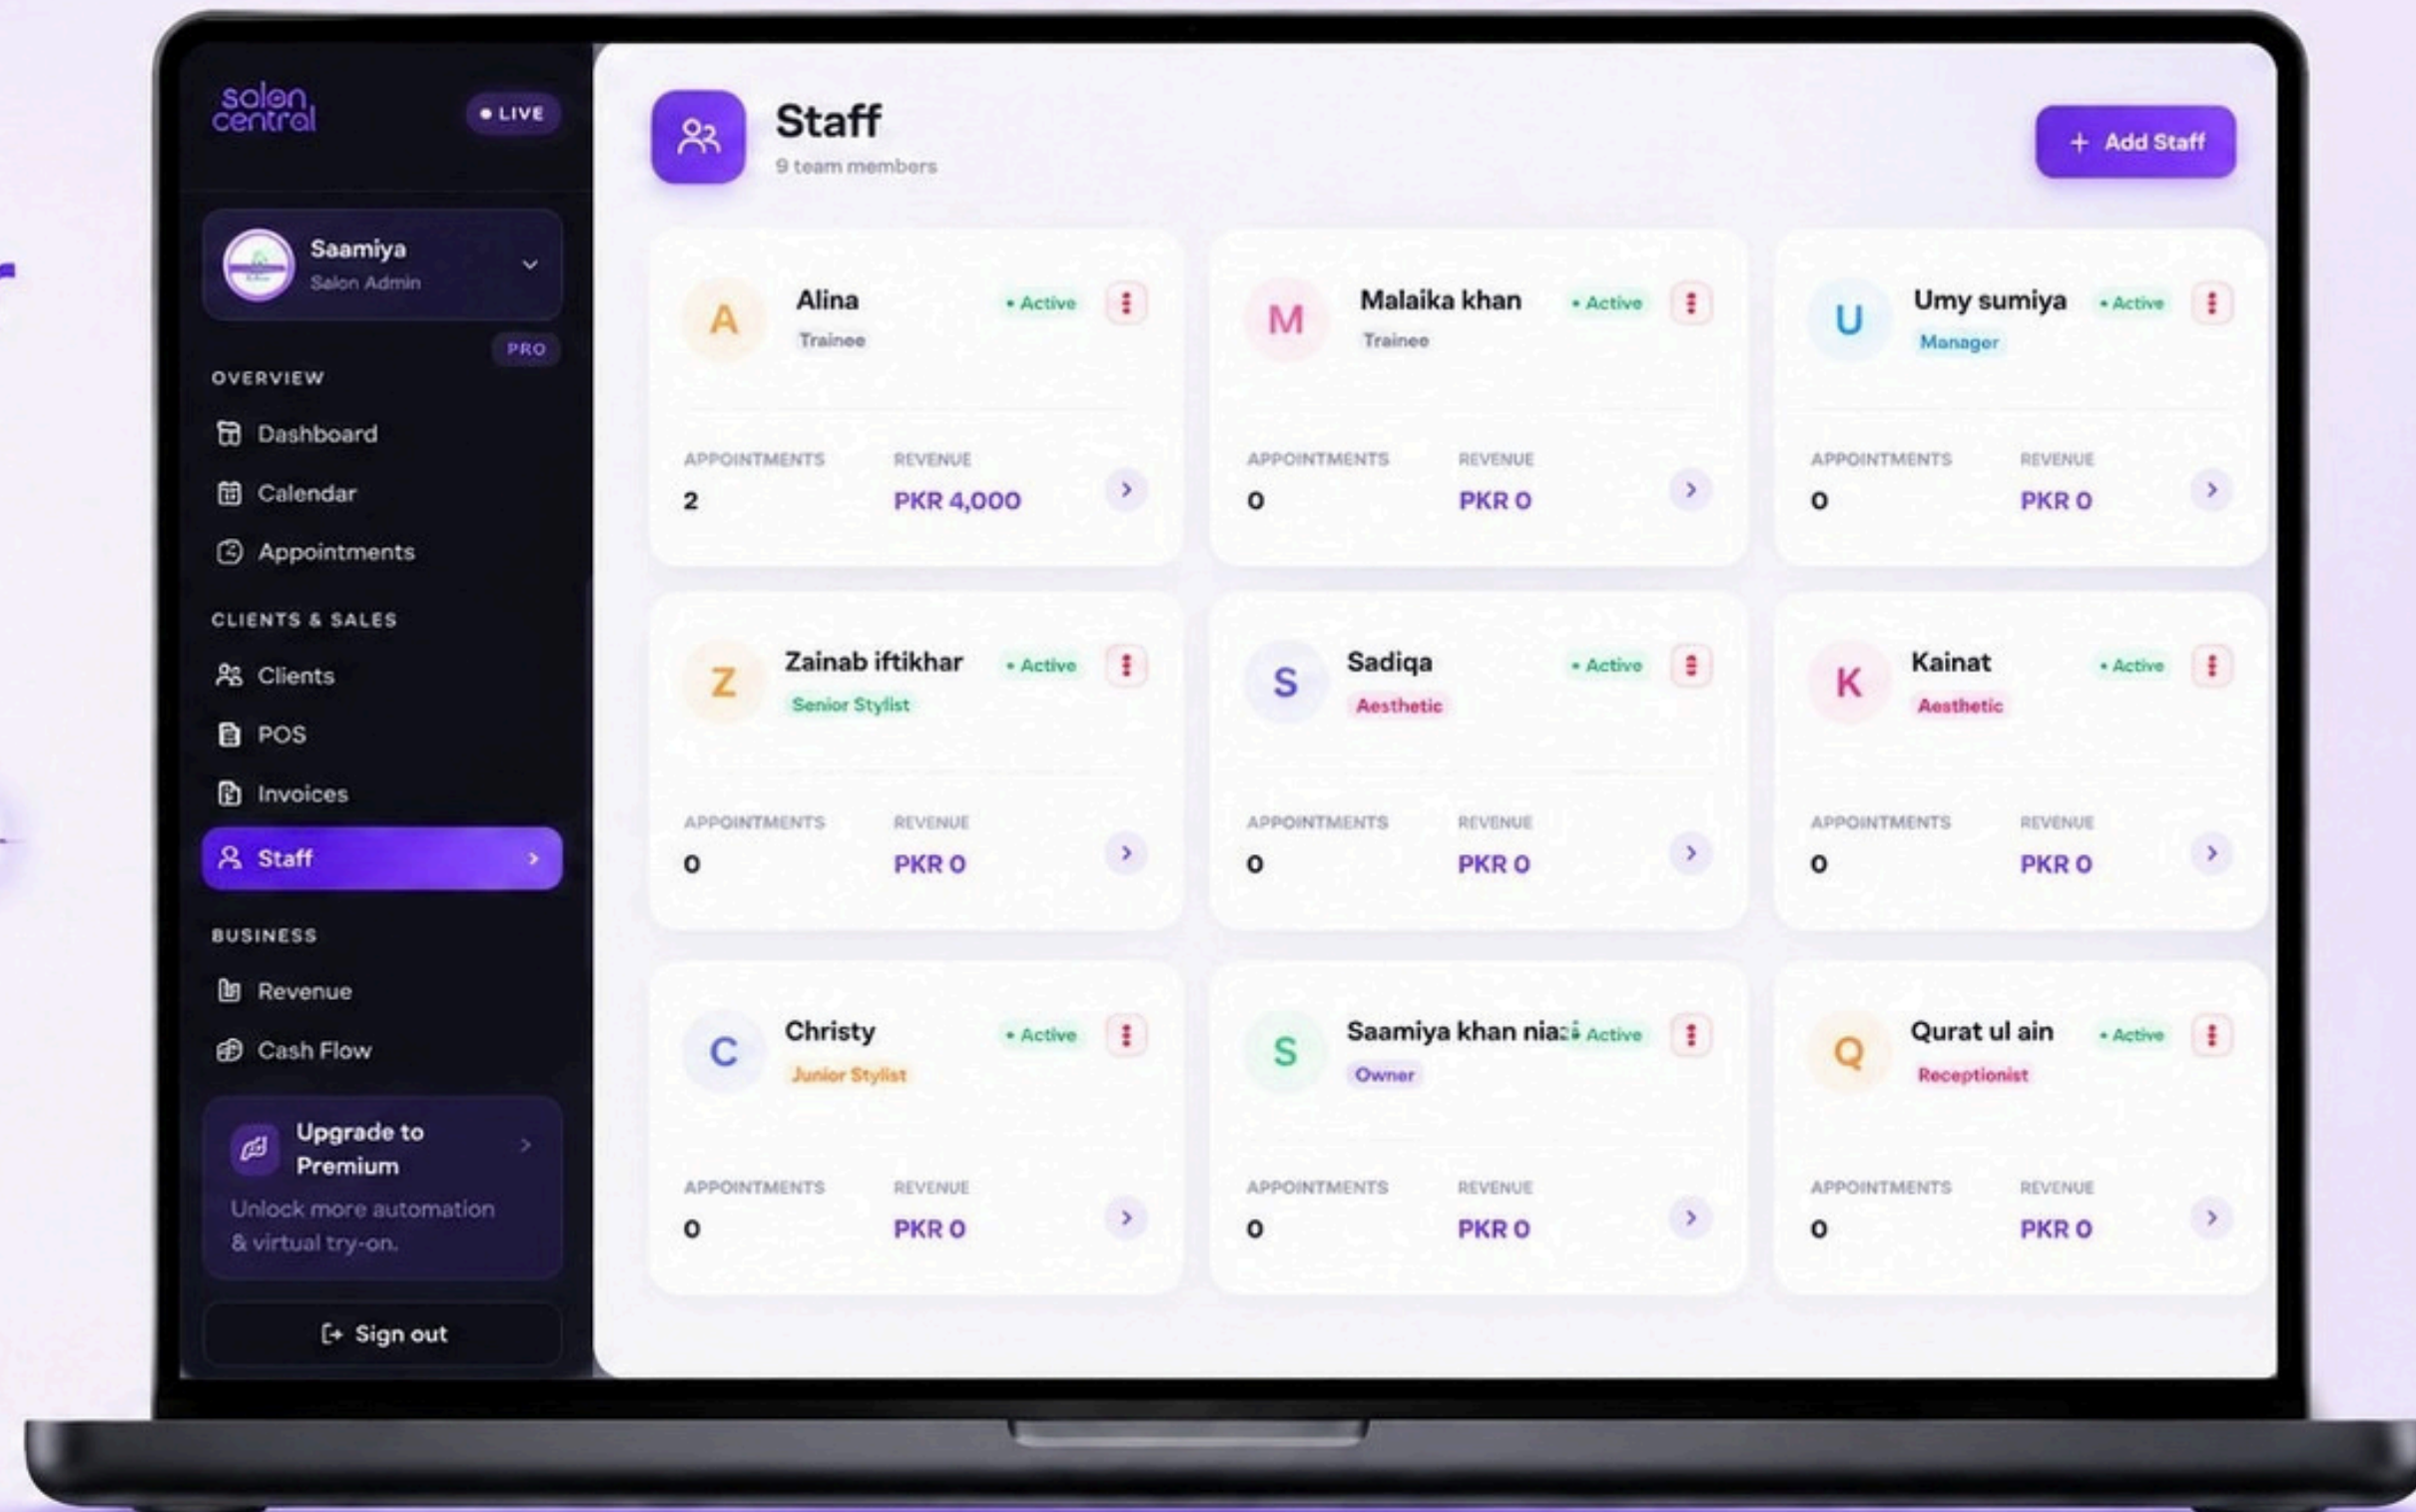

Six roles — owner, manager, senior
& junior stylist, more

Per-staff appointment assignment
across the calendar

Active / inactive status &
colour-coding

09

INVENTORY MANAGEMENT

Stock smart, never run out

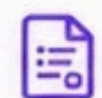

Real-time inventory tracking, alerts and purchase management — all in one place.

Real-time stock tracking
across all products

Low-stock alerts &
expiry reminders

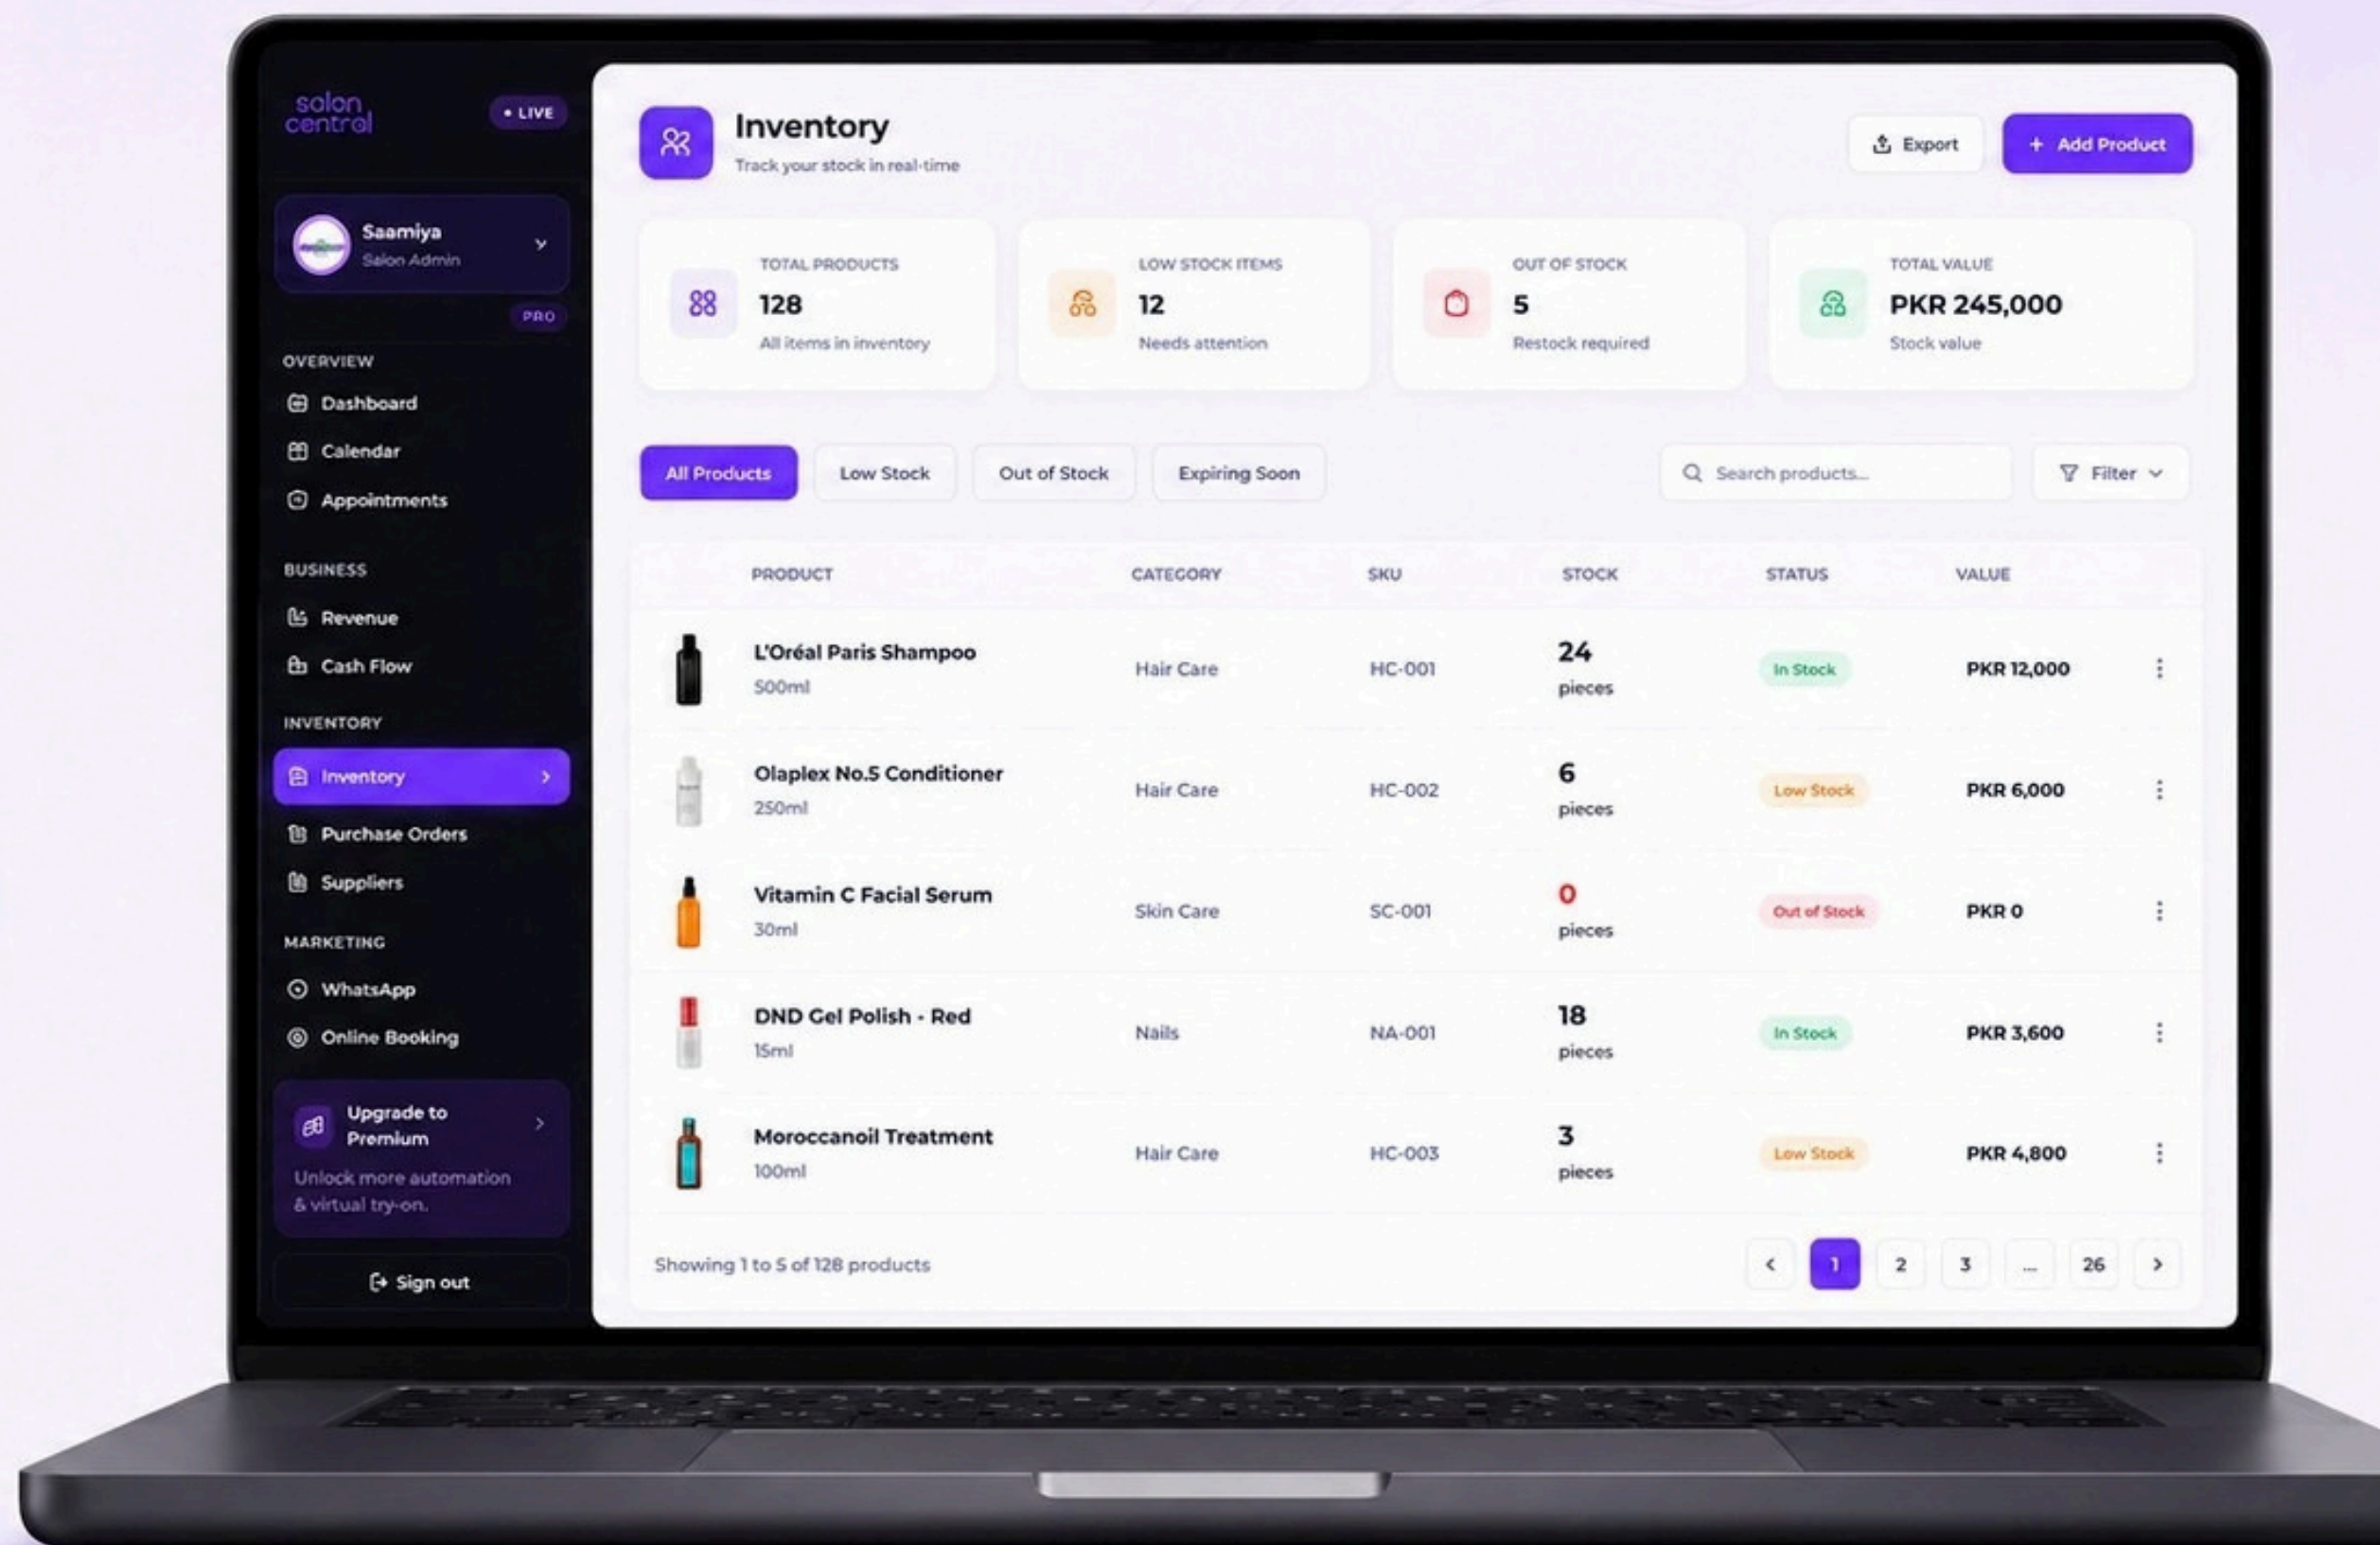

Purchase orders &
supplier management

Auto stock deduction
on every sale

Stock valuation & product
performance
